[Luther.pdf](#)

[Luther.epub](#)

En fortælling om Luthers liv, tid og tanker. Hans teologiske og eksistentielle hovedbegreber forklares og aktualiseres. Men først og fremmest fortæller bogen om mennesket Martin Luther; om hans enestående mod og kampvilje. Og om hans stædighed og stridbarhed. Dette er historien om manden, der den 31. oktober 1517, med livet som indsat, slog 95 teser op på døren til slotskirken i Wittenberg og dermed satte reformationen i gang. Reformationen, som blev et opgør med pavekirken og som dermed banede vejen for nationalstaten som vi kender den i dag. "Her står jeg. Jeg kan ikke andet". Hvem var han? Hvad var det, han troede på? Hvad var det, han ville gøre op med? Og hvad betyder han for os i dag?
