Bogen er den første danske biografi om Werner Best, der var rigsbefuldmægtiget i Danmark fra 1942-45 og politisk set den mest betydningsfulde person i besættelsesmagtens ledelse under krigen. Fra Werner Bests tid i Danmark huskes især hans iværksættelse af jødeaktionen i 1943 og hans efterfølgende accept af, at næsten alle jøderne fik mulighed for at flygte til Sverige. Hans besættelsespolitik var forholdsvis moderat, bl.a. sørgede han for, at der aldrig blev tvangsudskrevet arbejdskraft fra Danmark, at levedoden var den ubetinget højeste blandt de tysk-kontrollerede lande, og at landet undgik ødelæggelse i maj 1945. Men Werner Best var topnazist en af de helt store skikkelser i Det Tredje Rige. I 1930'erne blev den unge jurist og SS-mand den organisatoriske hjerne bag opbygningen af Gestapo – kernen i nazi-statens terrorapparat og han var blandt pionererne i KZ-lejr-konceptet. Bogen fortæller om Best både før, under og efter hans ophold i Danmark og går også helt tæt på personen Werner Best. Blandt andet har forfatteren fået adgang til hidtil ukendte breve mellem Werner og hans kone Hilde Best og deres nærmeste danske familievenner. Og kan bringe interviews med Werner Bests børn. Om forfatteren: Niels Birger Danielsen er journalist og historiker med speciale i besættelsestidshistorie. Han senest skrevet: Gestapochefen. Karl Heinz Hoffmann – den kultiverede nazist sammen med Suzanne Wowert Rasmussen

For more than 60 years, Werner Implement has been providing top-notch equipment and service to

agricultural and residential customers in a large area surrounding St. Director. Director. I think my most favorite images to color with the no-line coloring technique are from Mama... The Mount Werner Water District is committed to providing our customers the highest quality and most cost-effective water and wastewater services in compliance with all applicable Federal and State laws and regulations while preserving public health, protecting the environment, and ensuring the utmost customer satisfaction.
